NAME *John Keck*

REG. *Mr. Isida*

PASTE RECORD HERE

There is something very personal about a high school, a certain high school — my high school! In future years, when I look back to my TARTAN, the many memories within this yearbook will be an unforgettable part of me as I remember my high school years, and my voice again sings out:

"All Hail to Our Highlands . . ."

TARTAN 1964

*Highlands Senior High School
North Highlands, California*

DEDICATION

MR. WILLIAM CHAMBERS

Young, enthusiastic, academically oriented, community minded, and highly respected by his students for his dedication to teaching, Mr. Chambers well merits his selection as the teacher the 1964 TARTAN honors on its dedication page.

AMERICAN FIELD SERVICE

The American Field Service has earned special recognition from the Tartan through its efforts to promote understanding between the United States and foreign nations. Because of the continual efforts of this club, Highlands has been able to participate in the foreign exchange student program since 1961.

This year we are fortunate to have had two exchange students. Linda Ferwarda, from Highlands, visited Turkey during the summer, and Helio Guilhardi from Brazil attending Highlands this past school year.

Resume

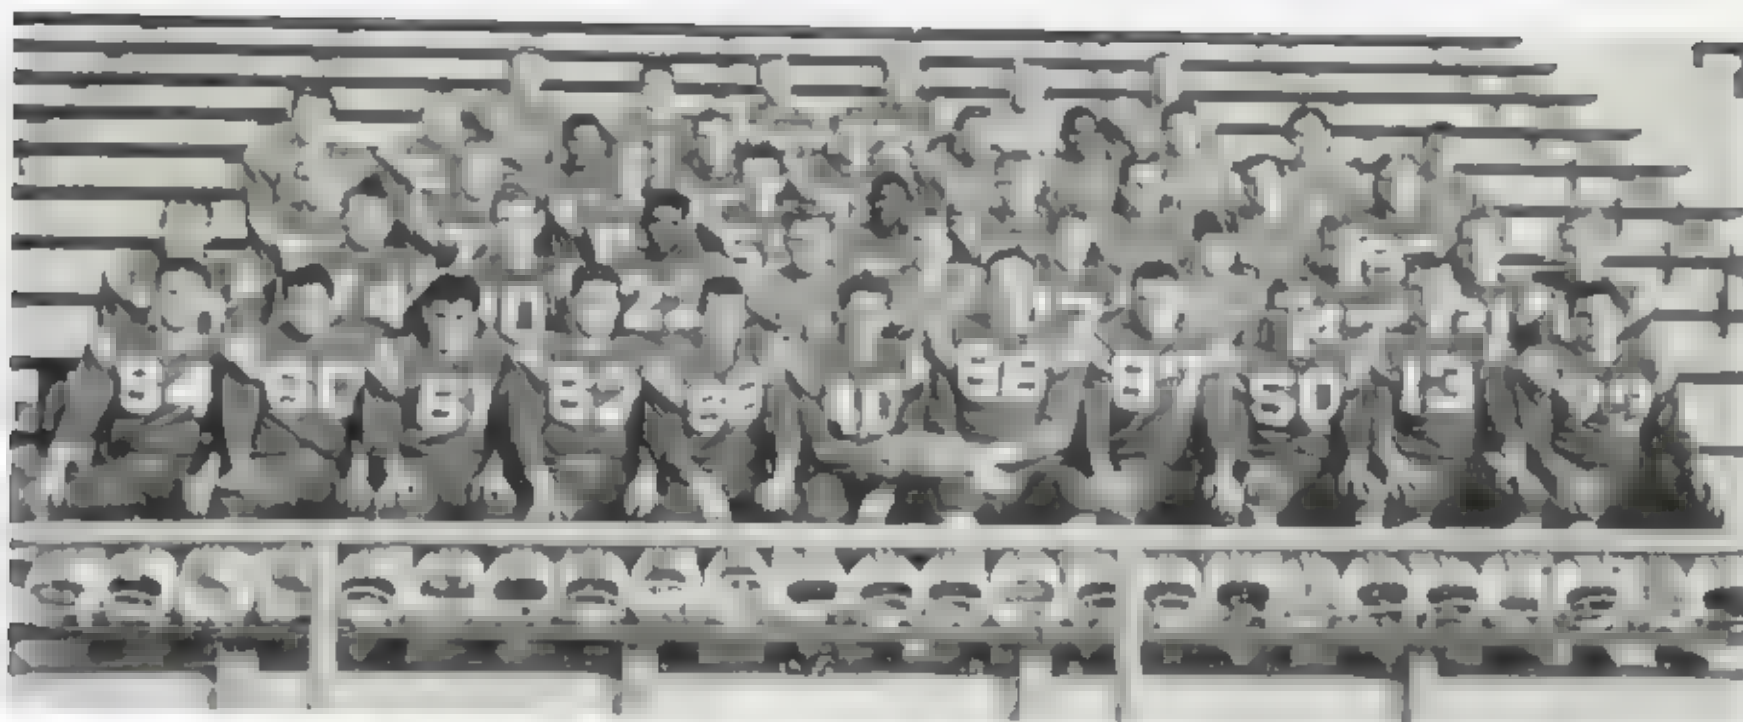

The Highlands Scots 1963 football team developed tremendous momentum in the last five games on their schedule, whereby some observers rated them as the strongest team in the tough Metropolitan League by the end of the season.

Coach Johnson's "Mighty Scots" were led by Bob Sullivan, end, and Joe Martin, tackle and linebacker, who were selected as All-City riders.

Mike Meixner, center, Jim Force, end, Sam Smith, half-back, and Frank Perkins, quarterback, were also outstanding in their individual play.

The addition of Bill McNulty, outstanding quarterback, during the latter part of the season, gave the team an improved passing and running offense.

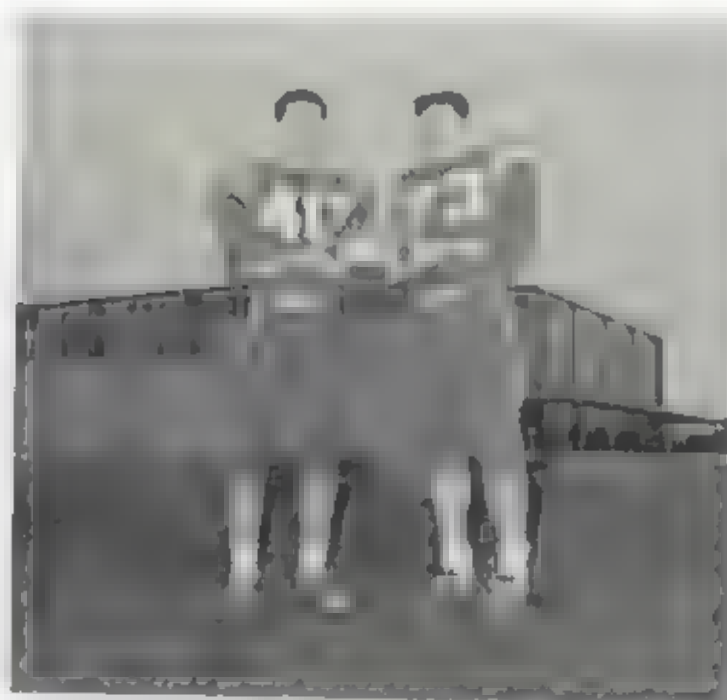

All in all, fine defensive play, and team spirit made it a good season.

RESUME

This year's Championship Junior Varsity Basketball Team sported an outstanding overall record of 22 wins and only 1 loss. The "Champs" finished their Metropolitan League slate with an impressive 15-1 mark.

According to J.V. Coach Karsten this outstanding record was achieved by the hard work and tremendous hustle of the entire squad. "All sixteen members of our squad were instrumental in our successful season."

Highlights of the season were triple victories over arch rivals Rio Linda and Grant Union. Double Victories were achieved over Norte Del Rio, McClatchy, Burbank, Hiram Johnson, Sacramento, and Woodland. Solo victories were scored over Roseville, La Sierra, Mira Loma, and Encina.

The majority of the Junior Varsity Squad will move on to Varsity Basketball Competition next season. Therefore, Scot Rooters should witness another fine season of basketball next year at Highlands.

IN MEMORIAM

JOHN FITZGERALD KENNEDY

35th President of U.S.A.

Like Abraham Lincoln, Kennedy was a great man, not because he was president, but because he fought for all mankind. He died fighting for peace and understanding. He knew what it was to laugh, smile, and share with all people triumphant moments. But he also had the deep feeling and sensitivity characteristic to decent men. We shared in his sad moments, and he in ours.

Now, in his death, the nations of the world have found a tie that binds. Never before have we found ourselves thrown together in a time of such common feeling, that of sorrow. In his lifetime he stimulated unparalleled revolution and interest in education, sports, fine arts, world peace and understanding.

The nations of the world which he visited can tell you that he was, and still is, a radiator of warmth and the greatest force on earth. Love this man, and love the world.

All Hail! All Hail!

The first thing I noticed
 when I stepped out of the car
 was the cold. It was a
 sharp, biting cold that
 seemed to penetrate my
 coat. I shivered as I
 walked towards the building.
 The air was thick with
 the scent of old books and
 the sound of distant
 footsteps. I felt a sense
 of anticipation, a mix of
 nervousness and excitement.
 This was my first day
 at the new school, and
 I was determined to
 make a good impression.
 As I entered the hallway,
 I saw a group of students
 gathered around a table.
 They were looking at
 something with interest.
 I walked over and saw
 that it was a display of
 old photographs. I
 looked at them for a
 moment, then turned
 and saw a teacher
 talking to a group of
 students. I felt a bit
 out of place, but I
 knew I had to fit in.
 I took a deep breath
 and walked towards
 my classroom. I felt
 a sense of purpose, a
 determination to
 succeed. I was ready
 to face whatever came
 my way.
